Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Response:

The college has a number of policies, procedures, and practices to govern its operation. The policies are meant for day-to-day dealing. They provide guidance to members in a number of academic areas. The maintenance and cleaning of the classrooms and furniture are done with the efforts of the menial staff and in major cases, the college goes for the maintenance contract to the experts. The college has an adequate number of computers with internet connections. Special software is installed in all the locales like office, laboratories, library, and departments. As per the rules and policies of the institution, all the stakeholders have equal opportunity to use these facilities. The ICT smart classrooms and all those computer-related facilities are maintained by the technically skilled experts appointed by the management. The college website is maintained regularly by AMC with Dream Technologies, Solapur. The students use the library, and general computer lab and the classrooms which are a part of the teaching-learning process. Peons, NCC and NSS Volunteers maintain the garden and beautification committee assists in this regard. The maintenance of a generator is regularly done by the college. Electrical and plumbing related maintenance is done with the help of local skilled persons and the expenditure is met from the budget gained by the college from different sources. The college owns an enormous library Reading hall within the library. It facilitates a browsing center, Smart Classroom, own book reading hall, separate systems to operate reading and borrowing books through online software with a barcode. A MoU is signed with I.T. CHAMP Pune. Library maintenance is done by management by keeping enough provision in the budget. Library software is maintained by AMC. Disinfecting and keeping the library clean is done frequently by library staff. There are two computers for students to use it for their study purpose as a part of the knowledge resource center. The sports department of the college is active. The running track is used by students, staff and local community and maintenance of that facilities are done with the help of the management. For some indoor games, MoU has been signed with the nearest indoor stadium run by the Tuljabhavani Stadium, Osmanabad Gov. of Maharashtra. A competitive examination center is established by the college, which helps the students to prepare for competitive examination such as UPSC, MPSC, IBPS, SSC, and RRB and the expenses are met by the management and partially by the students. The management understands the external and internal stakeholders of the college uniting the vast campus regularly. Maintaining supporting facilities in the campus requires a meticulous system. The college has a comprehensive policy to maintain the infrastructure periodically. Hence, the management allocates sufficient funds for the maintenance of the physical, academic and support facilities. The institution facilitates one Commerce computer labs.
